Any additions to the order will be treated as a separate order. You will receive an email confirmation for your order.

Rush Order Processing

For an additional fee of $25.00, orders can be shipped same day if received by 1:00pm EST. If order is received after 1:00pm EST and rush order has been checked the order will ship the next business day. This applies to standard sized orders that would ship via regular ground service and that are not considered for freight shipment.
