

COMMUNITY **FIELD TRIP** AWARD

PROJECT: **FARM VISIT**

GOALS

A. FARM VISIT: To visit a crop farm or animal farm and complete one of the three tasks.

A. FARM VISIT

Visiting a farm can show the farm lifestyle, how the farm produces crops, the environment, and animal education. Look for a farm that allows for visitors, tours, and interaction with the staff.

Farm Challenge (Choose one to complete.)

1. List five things you learned about the farm.
2. Interview a farmer (see below for question ideas):
 - What is it like to take care of animals everyday?
 - What do you feed the animals?
 - How do you harvest crops?
 - What equipment do you use?
 - What is your favorite part of farming?
3. Find the following five things at the farm:
 - An animal with four legs
 - An animal with two legs
 - An insect that helps the crops
 - A vegetable
 - A place to get water for the animals
