

COMMUNITY **CHURCH** AWARD

PROJECT: FAMILY WORK DAY

GOALS

A. FAMILY SERVICE: Serve a local need with the entire family for at least two hours.

A. FAMILY SERVICE

Each person in your family has different talents. But your family is also a group of people who live and grow together. Serving others together gives back to your community and strengthens your family bond. Some of you may not *want* to serve, but if you still *choose* to give your time, efforts, and resources to others, you will bless them! You and your family are part of God’s plan to bring the hope of the Gospel to other people. Often the gateway to sharing the Gospel is serving and helping others!

Part 1—Research Ministry Opportunities

See below for ideas of ways you can serve in your community as a family.

- Have a garage sale and use the proceeds to benefit a family in need.
- Visit a nursing home as a family and spend time with the elderly.
- Complete a work project for your church.
- Go on a day outreach trip sponsored by your church.
- Bring a bag of groceries to a family in need.
- Volunteer to help with an event, Vacation Bible School, soup kitchen, and more.

Part 2—Pick your Family Work Day

We picked _____ for our family work day.

RESEARCH MORE

- Go to your church’s outreach coordinator, pastor, or search the church website to find upcoming serving opportunities.
- Locate local “soup kitchens” to find a great volunteering opportunity.
- Go to your city’s website and look for serving opportunities such as trail days, opportunities to work with the elderly, or city event volunteering opportunities.
