## PRINTING

State of the art digital printing allows the teams or sponsors to display a message or logo with the highest visibility. Many attempts have been made to produce a quality On Deck Circle that would stand up to the demanding requirements of the professional baseball environment, but only Dura-Pad has succeeded. No others provide the bright, sharp, and durable graphics that are the hallmark of Dura-Pad On Deck Circles. They also clean up easily after the game.

**Dura-Pad On Deck Circles can be refurbished with new graphics.**

## UNIQUE & PROFITABLE SOURCE OF REVENUE

Dura-Pad On Deck Circles are ideal for sponsor placement because it offers brilliant graphics that are not only visible throughout the stadium, but also durable for use game after game, season after season, maximizing profitability on multi-year contracts. Many sponsors are now requesting that On Deck Circle placement be part of their sponsorship program because they understand the value of being "in the action". Nothing makes a sponsor happier than to see a ball hit into the outfield where their logo appears, but fans keep a constant eye on the On Deck area to see who is up next. This provides views of the sponsor's brand as many as 80+ times per game.
