

HOW TO USE THE NEW CRYSTAL LACE SIGNATURE ICING BLEND IN 10 EASY STEPS

STEP 1

Tools needed - Crystal Candy Silicone Mat, Crystal Lace Signature Icing Blend, spatula, brush, lustre, stamens, floral wire and tape.

STEP 2

Mix Crystal Lace Signature Icing Blend as per instructions.

STEP 3

Dry brush Crystal Candy Diamond Lustre into your Crystal Candy Silicone Mat.

STEP 4

Using a spatula, work the mixture into the mat with a touch of pressure.

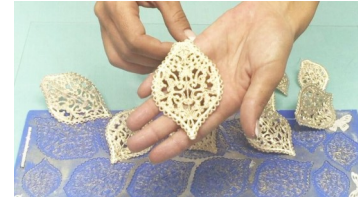

STEP 5

After spreading the mixture into the mat, place a small wire into the centre groove.

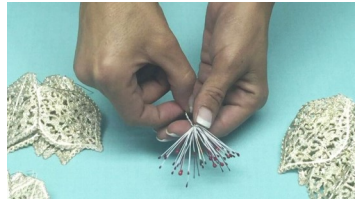

STEP 6

Allow to dry for 30 minutes to overnight. Once dry, remove each petal gently from the mat.

STEP 7

Bend the stamens in the middle around the florist wire and secure with tape.

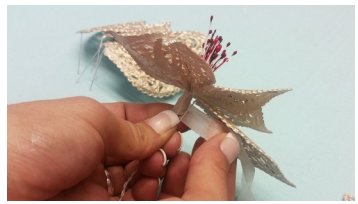

STEP 8

Starting with the smallest petals first, attach one petal at a time to the stamens using the tape.

STEP 9

Layer the petals until you form a flower. The more petals you add, the fuller the flower will be.

STEP 10

Fold and bend your petals up or down to your desired flower shape.
