

The Boxlight Ultimate Untethered Classroom

PREMIER PARTNER PROGRAM DETAILS

The Boxlight Ultimate Untethered Classroom Seed Program was designed to educate Tier 1 and Tier 2 school districts about the advantages of Boxlight Complete Classroom Solutions—from superb products to user friendly and compatible software.

The 90 day trial program was developed to benefit both school districts and select Premier Partners in a simple, easy to use demo program.

The criteria:

Pre-qualified K-12 schools only, with no current Boxlight product

Must be Tier 1 (20,000+ enrollment) or Tier 2 (10,000-20,000 enrollment) districts

One Ultimate Untethered Bundle Trial per pre-qualified district

Boxlight to ship direct to end user site via confirmed shipping information

Seed Program runs 1/1/2016 – 5/20/2016*

End user will receive Demo Ultimate Untethered Bundle free if 10 or more bundles are purchased at end of trial

Demo Ultimate Untethered Bundle will be available at \$4,750 Premier Partner cost

Boxlight Ultimate Untethered Classroom Trial Contract & PO must be returned for execution of shipping, etc.

Premier Partner responsibilities:

Pre-qualify districts and manage communication

Complete contract and shipping form

Coordinate delivery time and confirm man-power for 200+ lb. panel (4 men recommended)

Manage onsite set-up, install, and product & software training

Train on MimioStudio and Oktopus Collaborative Software

Store or coordinate storage of original packaging

Follow up with district each month

Notify Boxlight by day 75 of status (Partner to be invoiced at day 75)

Manage and quote installation, or pack and return products at end of trial

*Demo duration could be reduced based on ship date as compared to last day of school. All bundles need returned or purchased by last day of school. Partner should have Allen Wrench, Socket Wrench, and Phillips Screwdriver for setup.
