

## See What God Made

### Parent Take-Home Cards

Print on cardstock and cutout. Give the cards to your children to pass on or give them directly to their parents. Encourage parents to take these simple steps to partner with you during their time at home.

This content is also available in two other formats: 1) an email template and 2) PDFs that can be attached to emails.

*NOTE:* In most cases, the Spiritual Growth activity suggestions are repeated for four weeks. This is intentional—parents will not feel overwhelmed with too much to do and the repetition will help them build confidence in their skills.
