COVERMASTER'S GYM FLOOR COVER HANDLING SYSTEM

THE MASTER SERIES PREMIUM COVERMATE™ is a unique Mobile Storage Rack System for handling and storing Gym Floor Covers. With budget conscious facility managers in mind, Covermaster has taken many of the best features of our industry leading ULTIMA SERIES CoverMate™ II and incorporated them into this new Mobile Storage Rack. Designed to be sturdier with a higher load capacity than other premier racks, the Master Series Premium CoverMate™ is more economical and saves your budget money for other areas.
