

# SELF-STUDY ANNUAL PASS

Single User

## Summary

Are you ready to update your NetSuite skills but have struggled to fit learning into your schedule? With SuiteTraining Self-Study, you can easily and cost-effectively engage in continuous learning that fits around your daily responsibilities.

With the Self-Study Single User Annual Pass, you have access to the most comprehensive NetSuite learning offering available. The Self-Study center contains unlimited online access to the equivalent of all of NetSuite's publicly offered courses for one annual fee. As a cloud solution it provides access to learning content anytime, anywhere.

## Solution

- An easy way to learn NetSuite that fits into your schedule 24x7.
- On-demand access to expert-led learning.

## Courses may include:

- Recorded presentations
  - Student workbooks
  - 12 months access for \$10,000 USD per user<sup>1</sup>
  - Instructor email support within 1 business day
  - One demo account per course with 30 days access<sup>2</sup>
- Apply and practice new skills with hands-on exercises.<sup>1</sup>
  - One cost-effective annual training fee.
- ## Content
- Content is current with each NetSuite release.
  - Self-study versions of [NetSuite's publicly offered courses](#).

<sup>1</sup> SuiteTraining Self-Study access is purchased as an individual license. The confirmed user is the only person who may use the course and/or materials. Sharing the training with others in any way is expressly prohibited. Pricing will vary depending on country and taxation requirements. Self-Study does not include NetSuite Consultant Bootcamp or Certification vouchers.

<sup>2</sup> NetSuite Demo Accounts are included when they form part of the standard course curriculum. Prepare for the self-study experience by first viewing the [system requirements](#).
