

## **MAINTENANCE OF YOUR H-D® WOOD CUTTING BOARD**

### **TO CLEAN**

Wipe clean using a solution of dish detergent and water, rinse and dry immediately.

### **TO DISINFECT**

Wipe the board with a mild bleach and water solution, rinse and dry immediately.

### **TO MAINTAIN**

Apply a food-grade mineral oil every 6-8 weeks per manufacturer's instructions. Avoid using vegetable oil as they may go rancid.

***DO NOT***– wash in the dishwasher or  
immerse in water for any period of time.
