

LOW TABLE Ø 48 CM / 19"

ALIZÉ

DESIGN PASCAL MOURGUE

Ref.: 8960

What makes Alizé such a success story? The collection is simply oozing with winning features. It's robust – aluminium frames and Outdoor Technical Fabric.

It's practical – simply wash it down with water and it's ready to go. It's light – the pieces can be stacked in a jiffy (except for the offset table). And it's comfortable – the sunlounger comes in two widths, and the largest version has four headrest positions, two footrest positions and a zero-gravity position for the ultimate in comfort. The Alizé range exudes chic and minimalism – perfect for any outdoor style.

STANDARDS

- NF EN 581-1 and NF EN 581-3: safety, resistance and durability
- Auto-certification

WARRANTIES

- Functionnal: 5 years
- Ageing: 2 years
