GYM FLOOR COVERS

Our Gym Floor Covers are the safest covers available in the market today. Our Ultima Series cover surfaces are ADA compliant with high, slip resistant co-efficiency ratings. With the greatest range of Gym Floor Covers, and an unbeatable selection of custom and standard colors, and anti-slip surfaces, no other company can offer a complete product line up like Covermaster. Our covers are the highest quality available in the market.

GYMNASIUM PLATINUM CARPET SERIES

To protect your gym floor from damage during non-athletic events such as banquets and dances, Covermaster introduces our Gym Floor Platinum Carpet Series™. Constructed of heavy-duty fiber and a liquid resistant backing, these thick protective carpets feature a sturdy backing that assures they lay flat throughout the years of events and activities. Available in EasyRoll and CoverTiles, the Platinum Series makes installation, removal and storage an easy task for staff.

BASEBALL/SOFTBALL/CRICKET RAINCOVERS®

As the company that introduced lightweight raincovers to the industry 30 years ago, COVERMASTER® has manufactured and sold more raincovers than any other company. Through this experience in manufacturing and extensive feedback from our clients, which includes Major League Teams to the Little Leagues, we have continuously redesigned and developed cutting edge materials.

covermaster.com/brc/

FOOTBALL/SOCCER/RUGBY FIELD COVERS

Covermaster offers cutting edge varieties of field covers with closure systems. Available on Football/Soccer/Rugby field covers, our closures effectively join the individual sections into one large field cover. Velcro is ideal for our lightweight field covers, while we recommend our heavy duty plastic zipper for our Raincover Vinyl Field Covers.

EVERGREEN TURF BLANKETS

EVERGREEN™ Turf Covers provide a greenhouse effect, protecting from the hazards of frost and allowing your turf to breathe and retain the right amount of heat and moisture. The result is faster germination of newly seeded areas and deeper root development. They are UV treated, rot and mildew resistant and will not show any significant wear or degradation by sunlight, even after years of regular use.

TURF PROTECTION AND ROADWAYS

Covermaster® has supplied various types of turf protection mats, to both major stadiums and smaller venues, throughout the world for the last four decades. As such, we know that not just one type of temporary event flooring is right for every facility. Covermaster® has varieties of portable stadium flooring, temporary walkways and roadways to make sure your field is properly protected to meet both your requirements and budget.

INFLATABLE FIELD COVERS

COVERMASTER® is proud to provide the ultimate semi-automated field protection system, the Inflatable Field Cover. This is a revolutionary product that is a proven field management tool used to protect against the extremes of winter, be it rain, snow or extreme cold.

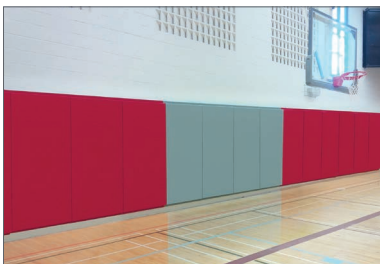

covermaster.com/ifc/

ICE CONVERSION COVERS

The use of an Ice Conversion Cover allows many other events to take place, all without removing the ice. This allows for faster conversions and reduced costs associated with the conversions. Convert your arena today into a multi-functional surface for a variety of sports and special events.

GYM WALL PADDING

Covermaster protective padding products are important elements of the safety environment of gymnasiums, student activity areas, wrestling rooms or anywhere there is potential for participant injury due to wall collision. Our protective padding will also enhance the appearance of your facility and has the added benefit of sound deadening and noise control.

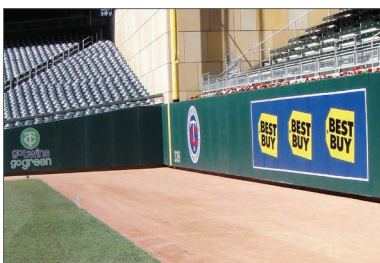

covermaster.com/gwp/

SEAT COVERS AND SPORTS SIGNAGE

COVERMASTER® Seat Covers can generate extra advertising revenue and solve the problem of excess seating capacity. Whenever a stadium, arena or sports field finds it desirable to camouflage unsold capacity or control spectator traffic, our custom designed seat covers are the answer.

covermaster.com/sc/

STADIUM WALL PADDING

Custom wall padding by COVERMASTER® provides superior protection. This custom made padding can be supplied with sponsor messages or team logos and is available in various thicknesses, foam densities and colors. Player protection is of prime importance in the design and manufacture of all COVERMASTER® custom padding.

covermaster.com/wp/

WINDSCREENS

The main purpose of windscreens is to provide for wind and noise reduction. Increased privacy, better player focus and improved facility appearance are further benefits. COVERMASTER® windscreens are made with high tensile strength fabrics such as vinyl coated mesh and polypropylene.

THE COVERMASTER STORY

When it comes to any kind of sports surfaces, Covermaster Inc. is proud to be the first choice for protection. Gymnasiums, ice arenas, outdoor sports fields, stadiums, tennis courts and even golf courses... for more than 40 years, Covermaster has been leading the industry with cover solutions that both protect and increase the versatility of recreational venues worldwide.

Covermaster's products can convert sports centers into revenue-generating, multi-purpose facilities. Our unparalleled range of gym floor covers are safe, slip-resistant and durable. While other companies offer surface protection as a sideline business, we make it our specialty.

We provide innovative products made from the highest quality materials and unmatched customer service. That's what makes our lineup the preferred choice among discriminating Facilities Professionals around the world. In fact, 90% of National Football League teams, 90% of Major League Baseball and 75% of Major League Soccer teams are using one or more of Covermaster's surface covers on their fields.

With our online ordering system, Facilities managers have an easy, 24/7 way to shop for standard items, request a quote on specialized options or receive a free sample.

Explore our ever-expanding selection of supporting products including spot covers, windscreens, seat covers and temporary roadways, or our printing capabilities that are ideal for everything from custom team graphics to sponsor advertising.

Whether it's a new gymnasium floor, turf, ice, or dirt, Covermaster solutions are your best choice for premium, cost-effective protection and long service life.
