Outstanding Values from Olé

DACU 2014

100% TEMPRANILLO FROM RIBERA DEL GUADIANA

90pts Vinous

"Vivid purple. Fresh black and blue fruit aromas are lifted and sharpened by a peppey note and a suggestion of smoky minerals. Vibrant and focused on the palate, offering intense boysenberry and cassis flavors that put on weight with aeration. Seamless and expressive, with no rough edges and a long, gently tannic finish that echoes the blueberry note."

—JOSH RAYNOLDS

These are unique, terroir-driven wines of extraordinary value. Often such sayings are hyperbole, but not in the case of Olé Imports. These wines are among my favorites from this motivated company. While none of their wines are household names, readers should seek them out as they represent sensational values from viticultural regions throughout Spain.
