For products shown on beverage cart please visit [Brandedproducts.com](http://Brandedproducts.com)

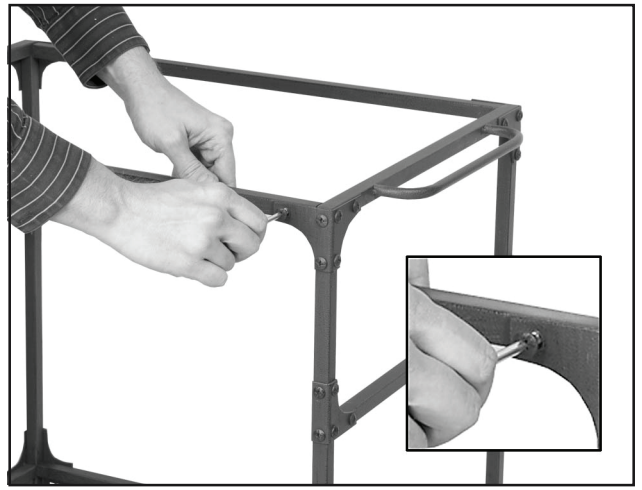

**Step 1:** Place parts onto a soft surface. Attach one of the mesh panels to the steel frame using screws provided.

**Step 2:** Lay the wood shelf into the bottom of the beverage cart as shown.

**Step 3:** Fasten the second mesh panel to the steel frame with screws.

**Step 4:** Attach the long braces to top of beverage cart. Be sure holes line up before securing with screws.

**Step 5:** Tilt beverage cart to fasten wheels to bottom (locking casters on same side). Spin wheels into bottom until all are tight.

**Step 6:** Place shelf with stemware rack onto the middle braces (stemware rack facing down). Tighten all screws securely.

**Step 7:** Lay serving tray on top of beverage rack. Wood rails will hold tray in place. Enjoy!

**\* To clean use a soft cloth with warm soapy water. Dry wood components thoroughly.**

## Warranty:

Free replacement of any part that fails within 90 days from date of purchase, excluding shipping costs. Void if damaged by misuse, accidents, alterations, failure to follow instructions, fire, flood, and acts of God.
