

Work With Others

Acts 18:1-3, 18-28

(Memory Time—1 Corinthians 3:9 “Work with others.”)

Parent Partners

This week we learned how Paul worked and preached with other Christians. Encourage your child to begin helping you with simple chores. Praise his or her efforts. Sing (to the tune of *The Farmer in the Dell*):

*I can work for God. I can work for God.
I'm so happy, very happy,
I can work for God.*

Spiritual Growth

Establish the importance of books and the written word for your child's future interaction with the Bible. Obtain a good Storybook Bible and read it often. Point out the people in the stories that love the Lord.
