

Jesus Learns About God

Luke 2:41-52

(Memory Time—Luke 2:36 “Jesus learns about God.”)

Parent Partners

This week we learned how Jesus learned about God at the Temple. Commit to teach your child one attribute of God this week. Repeat your “lesson” often. Sing (to the tune of *The Farmer in the Dell*):

*Jesus learned about God. I can learn about God.
I’m so happy, very happy,
I can learn about God.*

Spiritual Growth

Involve other family members and friends in the spiritual development of your child. Establish relationships with other parents of two-year-olds who share your values. Meet often so the children can play and the adults can talk and pray.
