

Jesus Loves Children

Mark 10:13-16

(Memory Time—John 3:16 “Jesus loves me.”)

Parent Partners

This week we learned how much Jesus loves children. Even the most mundane tasks done for a child hold great importance to Jesus. This week serve your child as if serving Christ. How much love can you show? Sing (to the tune of *The Farmer in the Dell*):

*Jesus loves me. Jesus loves me.
I'm so happy, very happy,
Jesus loves me.*

Spiritual Growth

Engage in simple spiritual conversations with your child. Ask questions such as *What is God like? What does God do? What did God create?*
