

Jesus Grows Up

Matthew 2:19-23; Luke 2:39-40

(Memory Time—Luke 2:40 “Jesus grows up.”)

Parent Partners

This week we learned that Jesus grew up just like we did. When you see your child reach a new developmental milestone, point out how Jesus had to learn the same things. Emphasize His humanity. Sing (to the tune of *The Farmer in the Dell*):

*Jesus grew up for me. I grow up for Him.
I'm so happy, very happy,
Jesus grew up for me.*

Spiritual Growth

Involve other family members and friends in the spiritual development of your child. Establish relationships with other parents of two-year-olds who share your values. Meet often so the children can play and the adults can talk and pray.
