

OLD TESTAMENT CHAMPIONS

Core Bible

Level 5, Quarter A
Disciple Guide Sample (Lesson 7)

KINGS RULE

God anoints rulers who unify His people into one glorious nation, Israel.

God wanted His people to trust Him to be their King.

This would set Israel apart from other nations. The LORD would be the center of their national identity. But His people wanted to have a human king—like the surrounding nations.

Crack the code to find out how God confirmed Saul (1 Samuel 10:1), David (16:3), and Solomon (1 Kings 1:39) to rule over His people, Israel.

I'm all Yours, Lord!

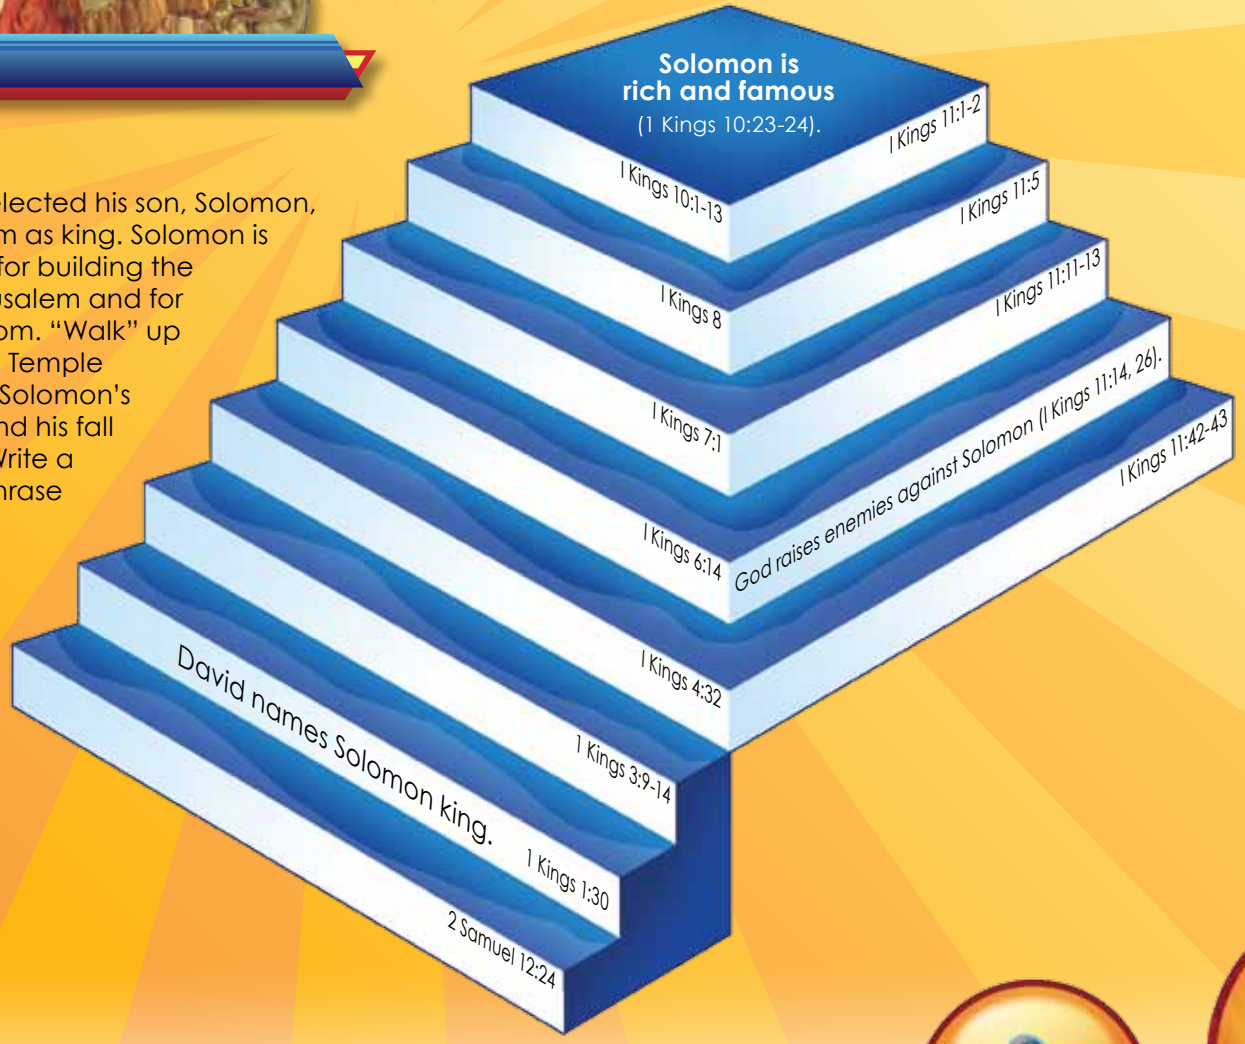

Wise Solomon

Solomon's Stats

- ▶ "Wisest person who ever lived"
- ▶ Uncertain lifespan (about 1000—931 BC)
- ▶ Reigned as king over Israel for 40 years
- ▶ 1 Kings 3:9

King David selected his son, Solomon, to succeed him as king. Solomon is remembered for building the Temple in Jerusalem and for his great wisdom. "Walk" up and down the Temple steps to trace Solomon's rise to fame and his fall into idolatry. Write a key word or phrase on each step.

HEART
BEAT

God anoints rulers who unify His people into one glorious nation, Israel. Wisdom from God was part of Israel's glory. Just as the principles of wisdom never change, neither do the issues that people face. List key phrases from Proverbs 2:1-7 that reveal how to become truly wise. Circle one or more that you want to apply to your life. How will you make this become true of you?
